Press Note.

Refund of Non-Judicial stamps purchased by Non-Muslims in West Pakistan.

Certain displaced persons purchased non-judicial stamps in West Pakistan but could neither utilise them nor apply for the refund of the value of their unused stamps to the respective Collectors in West Pakistan, nor could they submit such applications within the prescribed time on account of their sudden emigration to the Indian Union.

It has now been agreed between the Governments of India and Pakistan to make *ex gratia* payments in respect of such stamps purchased by evacuees residing in either country.

Displaced stamp-holders now residing in India are advised to prefer their claim applications by September 30, 1950, to the respective Deputy Commissioners of the Districts in which they are at present residing. Refund claims for the value of unused non-judicial stamps (subject to deduction of one anna for each rupee or portion of a rupee) will be admissible upon the claimant delivering the stamps to be cancelled, and proving to the Deputy Commissioner's satisfaction:

1 That the stamps were purchased by a *bonafide* evacuee from areas in West Pakistan (excluding the States acceding to it)

2 That stamps were purchased by such a person with the *bona fide* intention of using them, and

3 That they were so purchased within the period of *six months* preceding the date of his arrival in the Indian Union as an evacuee.

If the person was a licensed vendor of stamps in West Pakistan, the Deputy Commissioner, if he thinks fit, may refund the full value of the stamps in money actually paid by the vendor without any deduction.
